Overview

The 12mm panels are constructed from our Eco Polyester material; compressed polyester manufactured using post-consumer recycled polyester from plastic bottles. Choose your perfect colour combination from a selection of 22 different Eco Polyester base colours.

We offer 9 unique surface designs as standard, or you can work with our expect Design Team to create something truly unique.

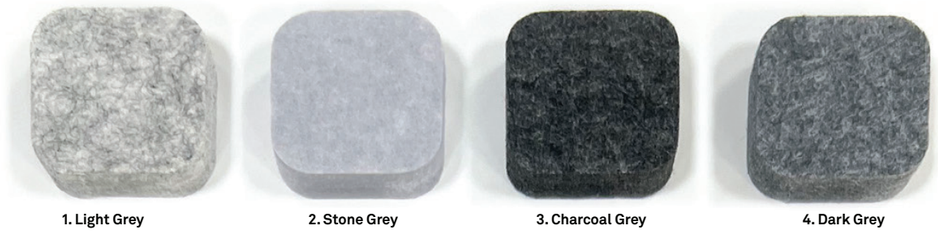

Features

Core Material: Compressed Polyester
Acoustic Performance: Sound Absorption Class: 12mm = NRC 0.95
